Dear Club,

Business trips have never been my thing. But now and again I go over to our New York office and check everything's okay. Actually, the guys are all right, but it's usually one beer after work and then back to a lonely hotel room and a night of tossing myself off in front of some porn channel.

Last time, though, things changed. It was my birthday, and I was feeling pissed off – I'd had a row with Carla before I left because she likes to see me on my big day. In the end, I spent a few hours crawling some of the city's bars, getting wasted with my colleagues before my boss suggested we take in some lapdancing clubs. I don't feel guilty about watching porn, but paying girls to jiggle their tits in my face falls outside my 'look but don't touch' policy. But that night I wanted to forget all my responsibilities.

We got to the club and a girl came over to pour shots for us. She was petite and blonde, but best of all were her huge tits straining

underneath a naughty schoolgirl outfit. A little white shirt was paired with a pleated mini that just skirted her arse and revealed two pert cheeks when she bent forward. Catching my eye, she said "Hi, my name's Cindy. Would you like me to dance for you?" I felt a bit uncomfortable, but at the same time wanted to see Cindy's breasts and bum close up. My cock had already started to swell and I tried to hide my excitement from my colleagues. That was impossible as she danced in front of me, slipping off her top and unhooking her tiny pelmet. Her shaven pussy and see-through panties turned me on and when she wiggled her buttocks in my face I imagined her getting moist. I was desperate to reach out and get my mouth round the nipples she was thrusting towards me, but I knew the rules and five minutes later my dance was over, leaving me with a huge erection.

We stayed for a while, and though I imagined I kept catching Cindy's eye as she serviced other men round the room, I knew it was another frantic wank in the hotel for me. The others drifted home to their wives, and I headed for the gents. I was standing at the urinal in the empty loos when someone squeezed my arse. Understandably alarmed, I shot round to find Cindy before me, still in her great get up. "I've decided to give you a private dance," she whispered while pushing me into the cubicle. I had no idea whether the guys had slipped her some more cash, or whether she'd noticed my admittedly large dick and fancied trying it for size. Nor did I care, I was so determined to get inside her.

Suddenly she was no longer the submissive schoolie. She grabbed my hands and placed them on her tanned tits, ordering me to squeeze her nipples hard. I obeyed

and she moaned in appreciation before releasing me from my trousers. My cock stood up stiffer than it had ever been, the end swollen and shiny with pre-cum. I thought I was going to explode with excitement as she alternated between sucking my balls and as much of me as she could fit in her mouth. I thought I could hear someone coughing awkwardly in the next cubicle, but I didn't care who heard me.

I didn't want to cum before I had had a chance to bang her, but suddenly the sight of her servicing my prick while simultaneously working her snatch with her fingers was too much. But before I could fill her mouth she twisted round and spread her arse cheeks. I saw her bumhole stretch and then she was sitting down on me,

THE HOLE TRUTH

Dear Club,

...Could it be in reflection (sic) on the Club Girl of the Year results that the penny finally drops as to what readers like myself want are more UK models in magazines like Club. Your arguments (sic) in the past about the difficulty of featuring UK models are hard due to either prudence (sic), influence of lads mags, strip/lapdancing clubs as you claim ring hollow/false on clear evidence. Many UK models can be seen on various websites...

Anonymous

We feature UK girls whenever we can in Club, but our 'arguments' aren't arguments, they're facts. Just because there are lots of British models around doesn't mean they're being shot for print. Just because they're on websites doesn't mean they're available for print. We can name several models, including some you name (and you also name a few who clearly aren't Club class), who are all over TV and the internet, but won't return the phone calls of top quality photographers. Others are under contract to certain video companies and aren't allowed to shoot for Paul Raymond titles. The world has changed, dear reader, and you know not of what you speak.

RUB TUB!

Dear Club,

Oh god, to be in that tub with Krystal Webb and Danielle Maye! Two of my favourite British girls combined – the only thing it was missing was an appearance from Sasha. That big picture of Krystal tonguing Dani's arse is a keeper – it's just a shame it wasn't the centrefold so I could pull it out. Get these two back again pronto!
Ian, Edinburgh

Yes, that was a hell of a shoot, and two lovelier English girls you couldn't hope to see licking the hell out of each other's pink paftrts. As for getting them back – it could be tricky as Krystal is about to retire from modelling. We'll just have to see what's in the archives. As for Danielle – a little bird (okay, her twitter account) tells us she might be about to do some boy/girl filming. Now that we want to see!

using my cum as lubrication to force me into her. Suddenly she was thrusting up and down frantically, her groaning increasing as I reached round to fill her with as many fingers as I could force into her fanny.

The excitement of being rammed up her narrowest passage kept my rod as straight as possible, and as she forced herself more urgently down on me I could feel myself building to another climax. My second ejaculation finally sent Cindy wild and rubbing herself frantically against my fingers and cock, she came violently as I spurted my hot spunk right into her. There was no explanation as she eased her body off my prick, just a quick thank you and a "see you next time". And she certainly will.

Shooting for that number one spot...

Many girls would be delighted to come third in *Club*'s famous Girl of the Year poll. After all, you've still seen off dozens of red hot babes. But Danielle isn't a girl to settle for third.

"I'm gutted," she confesses. "I'd love to be number one. I can't really complain, because I appreciate every vote I got, and I love Jenny and Sasha, who beat me. I'd vote for them as well, they're lovely. But I plan on being number one next year!"

And how are you going to go about making sure you win? Blowjob for votes? Is it blowjob for votes? Please make it blowjob for votes!

"That's a lot of blowjobs. Maybe I should just give the editor one and he can make sure I win..." ♣

Too cool for pool...

At first glance, it looks like the only thing missing from these photos is a polar bear or a bunch of penguins dicking around in the background. But then we realised it doesn't really matter who the hell owns this weird pool, because uber-fitties Georgia and Jana are busy fucking each other next to it. Sometimes we can't see the wood for the trees. Of course, wood is exactly what these two caused once we focused on the all important lesbian fuckfest unfolding before us. We're sure you'll be able to concentrate from the word go. Still, where did all the penguins get to? ♣

COCKTALE!

I really should learn how to use my car's GPS properly. That little device has got me into so much trouble recently but I'm inclined to forgive it after it got me laid. I was late for an important meeting and it had got me so lost that I ended-up stopping in a rough-looking part of town and nipping into a pub to ask for directions. The place was dead – with only one patron keeping the barman company.

I have never been so self-conscious of my high heels and short skirt as both pairs of eyes followed my legs as they scissored across to the bar. It was like they'd never seen a girl before. Perhaps it was just the shock of seeing a girl in there – it certainly felt as though I was the first female to enter the place in years. The barman managed to drag his lustful gaze up from my legs to my blouse as I asked for directions.

"Sorry love," the barman replied. "That place is right on the other side of town." There was no way that I could make the meeting, so I made a quick call to let my PA

know the situation.

"Why don't you sit those sweet cheeks of yours down and take a drink?" For the life of me I can't explain why I didn't just turn my 'sweet cheeks' around and leave. But I didn't. I perched my bum on the proffered barstool and accepted a fancy-looking alcohol-free cocktail.

"Don't get many women in here," the barman said, by way of conversation.

"Don't get many men either," chortled Bill. I laughed and there was a noticeable relaxation in the atmosphere. As I said, it was an alcohol-free drink, so I can't blame the booze for why I ended-up with my legs spread, holding my pussy open whilst Bill licked me out. Perhaps there was something magical about being in a proper working man's pub. Perhaps there was something about the way they treated me with a confusing blend of attitudes usually reserved for Princesses and prostitutes: they worshipped me, yet openly lusted for me.

"Bet she's got a pretty little pussy," the barman said a little too loudly as I came back from the loo. The carpet might have been thin

and sticky in places but it hid my approaching footsteps.

"Bet it tastes good too," Bill replied. It was a priceless moment when the two of them saw me standing there, knowing that I'd heard them. "I'm really sorry," Bill began. "I didn't mean any offence..."

"None taken. In fact, I would value your opinion." So saying I re-took my stool, only this time I spread my legs and pulled my knickers to one side. The guys did a double-take, obviously more shocked than I was by my lewd behaviour. This was the kind of thing I'd previously done only in my fantasies but it gave me a thrill to do it for real. Perhaps thinking that the offer wasn't genuine, Bill took a long look at my pussy, expecting me to snatch the opportunity away at any moment. But I didn't move, other than to use my fingers to spread my labia; I held my breath as I watched Bill's slow advance before gasping as his tongue prodded against the exposed interior of my pussy. Bill's tongue was delightfully rough but surprisingly skilled. He knew where my clitoris was and what to do with it. I leant

back on the bar and let him do his work. By the time he surfaced, he'd already made me a very happy woman. Twice.

"Do you mind if I?" I opened my eyes to find Bill standing between my legs with a nice big dick in his hand. A smile was all it took for him to push the shiny purple glans inside my little puss. "Oh my god, she's tight," Bill reported. The way he did it – the way he talked about me, rather than to me, really turned me on. I groaned as Bill drove up further inside me, impaling me, stretching me with his cock. It felt wonderful and I clutched the bar as he began to fuck me.

Hands began working my clothes from behind. My tits were soon fully exposed as my blouse came open and my bra was pulled down. Movement to my side made me turn my head and I found that the barman was kneeling on his bar, offering his cock to my mouth. It was an offer I couldn't refuse, and I took the tip, then more into my mouth. I had two cocks inside me for the first time and it felt fantastic, although my body was being buffeted as they both thrust into me. The fact that I was perching on a swivel stool meant that I was being twisted by Bill's thrusts in a way which occasionally forced the cock in

“ I had two cocks inside me for the first time and it felt truly fantastic ”

my mouth right into my throat. That lack of control meant I was soon turned on in a way that I'd never experienced before. The two men felt so powerful and I felt like their slut, being shared between them, servicing them both. I loved it and I gave myself to them completely, pretending that they had hired me and that I had to make sure I pleased them both fully.

My little fantasy caused me to up my game; I worked the barman's cock with added intensity, sucking harder and I started wanking him into my mouth. At the same time, I pulled his hand onto my breasts. Soon he was groping my tits, squeezing the soft flesh and tugging on my nipples. I guess that he must have really liked my tits for it wasn't long before he pulled his cock from my mouth and sprayed his jizz all over them. It felt like a form of worship as he rubbed his cock in the slippery mess before stuffing it back in my mouth. I could taste his spunk

and I think it was that which set off the fireworks which had been sparking in my clitoris. It felt wonderful to be cumming around Bill's dick and he responded in kind. I felt his cock pumping inside me, ejaculating, and the dirtiness of letting this old guy fill me with his spunk enhanced each and every pulse of pleasure.

I did my best to make myself look respectable before Bill escorted me back to my car. I played with my GPS, making sure that I'd got the pub's location in its memory before driving off – after all a girl likes to know where she can get a good cocktail or two when she feels the need.

BOOB BANGER!

Breasts, tits, boobs, hooters, jugs, cans, headlamps, knockers, melons – call them what you want, I call them amazing. To me they are the part of a girl's body that defines

“She slipped the vibrator inside her juicy snatch at maximum speed”

her sexuality. There's one prerequisite, though – they have to be big. I'm not talking zeppelins, necessarily, but they have to be big enough for me to slide my cock into the cleavage and have their owner wrap her tits around its shaft, and tit-wank me into spurting my steaming spunk. That's all I ask.

Last summer I had the pleasure of a brief liaison with a blonde who possessed the most magnificent pair of mams I've ever laid my eyes on. It wouldn't have happened over here, but I read about the annual Nudes-A-Poppin' event in Indiana, America, and decided I was going to treat myself to a dirty holiday.

Although I'd never been to a nudist camp before, I've always been somewhat of an exhibitionist, and had no qualms about walking around in nothing more than a pair of flip flops and a smile. Trust me – if you were up close to the acres of flesh on show, you'd be smiling too. The only drawback is that the organizers of the pageant frown on men walking around with stalk-ons, so I took a towel with me just in case. I had it wrapped around me while watching the Miss Nude Go-Go event, when I found myself standing next to the aforementioned busty blonde, dressed only in a tiny thong.

She was so excited by the show that she

was wildly jumping up and down.

“Whoah there, love,” I said to her, unable to resist staring at her bouncing boobs. “You'll give yourself a couple of black eyes if you're not careful!”

Still bounding about, she looked me straight in the eyes, then down at my groin. “Judging from the lump beneath that towel, you like what you see, yes?” she asked.

“Like?” I replied. “That's the understatement of all time!”

“Well, how about we hang out today, then you come back to my hotel room when this is all over, and you can give me a demonstration of your appreciation. I like that British accent too,” she said. Naturally I agreed, then we introduced ourselves to each other – her name was Sue. And I'm Tom, by the way.

Although we had an amazing day together, it was nothing compared to what happened that night. Having stripped down to the state in which we'd met, Sue told me to get comfortable on the bed. Then she pulled a huge vibrator from her suitcase and stood

with her back to me. “Your tits! Show me your tits!” I begged.

“Slow down, baby,” she replied. “There's no rush, and I guarantee you won't be disappointed with what happens next.”

Bending forward and down, Sue looked at me between her spread legs, her tits hanging low. I gasped. She smiled, slipped the

bed, grabbed me by the ankles and pulled me onto my back. Then she straddled my chest and made my dream come true – she wrapped her boobs around my knob. “Don’t move,” she said. “Leave everything to me.”

Momentarily releasing my dick from its soft flesh housing, Sue slid a hand between her legs. When she retrieved it, it was coated in her pussy honey, which she proceeded to smear all over her cleavage. Seconds later my cock was back between her tits, which Lucy was using like a huge, swollen pussy. My cockhead bobbed in and out of view, drowning in Lucy’s fleshy mounds. As she massaged my shaft with their massiveness, I suddenly felt as though I’d been pumped full of adrenaline, and a huge orgasmic surge swept through my body. “I’m gonna cum!” I shouted. Lucy rubbed her fat boobs harder and faster against my cock, and seconds later I spurted an enormous load all over them. Best. Holiday. Ever.

vibrator inside her juicy snatch and, from the volume of the buzz emanating from it, turned it on at maximum speed. I started stroking my cock as Sue prodded her pussy, my gaze switching between the vibro disappearing in and out of her cunt and her

swinging jugs. I swear I was just seconds away from blowing my wad when, as though she could read my mind, Sue shouted, “Stop!”

I did as she said, and she hopped onto the

Shows her stripes...

Another *Club* debutant, Jessie hails from California (as so many amazing girls do), and spends her days shopping, drinking Chablis with her girlfriends and... *really*? Glory holes?

"Let's not exaggerate," laughs Jessie, 22. "I went to one once for a bit of fun. And it was fun. Me and a girlfriend went in this dingy little room with holes in the wall, and the next thing you know there are cocks pointing through them. In porn

films, everyone's got a pretty big dick, so this was a real reality check!"

Well, we're not all blessed!

"Actually, smaller dicks are easier to suck deep, so you get the cum faster. But one guy had the biggest dick I've ever seen—probably too big for porn if that's possible! I couldn't get it inside me—it was all I could do to jerk it off. My arm ached after, but he shot so much cum it was definitely worth it!" ♣

DOWN THE WIRE

ROCKY MENACE!

Teresa Widener of Bedford, Virginia in the spiritual home of nutjobs, the US of A, has quite a strange eating disorder. Instead of binging on chocolate and then shamefully vomiting it up in secret like any decent person, she munches on rocks. And not just the odd rock – she reckons she's gnawed on more than 3,000lbs of them over the last 20 years. "I've never had any medical problems because of the rocks," the 45-year-old told reporters, "but I don't go to the toilet too often and my tummy hurts a little sometimes. I like the earthy flavour of them so sometimes I just suck the mud straight off them too." It's time to move to the town of Bedrock, Teresa.

Between a rock and a hard place.

FIND A FOLD AND FUCK IT!

Ahh, sweet romance. Big massive chubber Pauline Potter, the Guinness Book of Worlds Records' reigning world's heaviest woman when she hit the heights of 52st., is shagging her way to a new, svelte her. Okay, not svelte, but she's lost 7 stones in seven months and puts it down to shagging sessions with her ex-husband. "My bed is strengthened, and I although I can't buy sexy lingerie, I drape a sheet over me," she says. Yes, like they would the corpse of a whale. Ex-hubby Alex is sticking it to her 7 times a day, and says he wouldn't mind if she was 70 stone. Reverse cowgirl is clearly out of the question.

Go on, stick it in my gunt!

GREY MATTER!

Of Grey aloud, he showed her what real sauce was by squirting her with brown sauce. The book, popular with people who can't read real books, is enough to provoke anyone, although we don't condone the slap that Hodgson was accused of delivering as well. Although she'd probably love it if that Christian Grey character was doling it out.

Nearer home, and Raymond Hodgson, 31 of Carlisle, has pleased guilty to common assault after a barney with his girlfriend Emma McCormick. Annoyed at her reading passages of shit bestseller 50 Shades

MOSSAD-CHOPS!

It's all kicking off on political debate shows these days, and while we have Paxman sinking his teeth into bullshitting MP's, Johnny Foreigner has to go that little bit further. First, a Greek MP smacked a woman on a show in Greece, but Jordanian MP Mohammed Shawabka takes the biscuit for

losing his rag during a debate with activist Mansour Sayk al-Din Murad. After Murad accused him of being a Mossad agent, Shawabka hurled a shoe at him, and then pulled out a revolver and pointed it at him – in front of cameras and a live audience. Luckily, he didn't pull the trigger, but we don't reckon they'll be inviting him back on... ♠

NAME: Lolly **AGE:** 20

FAVE SEX: Being on top.

WHAT'S SHE LIKE? As Lollies go, she's FAB.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I got talking to a model at a party, and she told me she'd been in it. I bought one and wanted to be in it as well.

WHAT DOES YOUR BLOKE THINK?

He says I can do whatever I want in modelling – and he's very proud of me – as long as I don't do hardcore with other men!

ANY PLANS FOR THAT?

Oh no, I just want to do a bit of modelling on the side of my job, which is fashion retail. I don't want a dodgy vid haunting me at every place I work!

VERY WISE. BUT HOW ABOUT LESBIAN STUFF?

Probably not, but it's no surprise that my boyfriend says that I'm allowed to do that if I want to! Filthy bugger! ♠

SOPHIA♣

Oh what a Knight...

What was it we were saying about photosets with roaring fires? And it's not like Brit babe Sophia Knight can't handle a bit of cold.

"They're all soft, these Americans," she laughs. "They don't know what cold is!"

You tell 'em, Sophia.

"While I'm at it, they're lazy as well. They drive everywhere, no one walks. It's weird. I don't think I could live here, even if it is a bit glamorous. And it doesn't get much more glam than shooting with Holly Randall."

Yep. Now throw some more coal on... ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Our new, regular round-up of the latest celebrity skin begins with a glimpse of Kirsten Dunst's dunsts, and her other lady parts as well. After teasing us as a sexy cheerleader in *Bring It On*, as a moody bird in *Crazy Beautiful* and as *Spiderman*'s other half Mary Jane Watson, she's spent the last couple of years finally letting us see what we'd been dying to see. Remember that stoned dance she did in her pants and vest in *Eternal Sunshine of the Spotless Mind*? Well now you can see those jigging bits in all their glory in the otherwise dire *All Good Things* and the somewhat better but thoroughly mad Lars Von Trier end-of-the-world drama *Melancholia*. The first delivers boobs, the second delivers boobs and box. And with her bum getting an airing in *Marie Antoinette*, we've now basically had full sex with her. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

REAM SERVICE!

During the 4 years I've been with my girlfriend, every time we feel our sex-life has gone a bit stale we've always made the effort to try something new. Porn, in the form of magazines (this one, of course!) and videos was the first step. That worked, as did engaging in sexual activities in risky places, and as spontaneously as possible! One time particularly springs to mind when we pulled up in front of our friend's house, and before going up to the door Kathy went down on me until I came in her mouth.

Recently, however, it has been a bit of classic role-playing, involving the usual nurse's uniforms and schoolgirl scenarios. Nonetheless, my wife has become so into this, that she plans these situations without me even knowing, and springs them on me when I'm least expecting it. The other night, after I had been for some after-work drinks, I returned home about nine o'clock, feeling a little half-cut, to find all the lights off in the house. I could also hear a faint moaning coming from the bedroom. Putting the hall light on, I could see that Kathy had been tidying and cleaning. The sounds continued and as I pushed open the door to the bedroom, I could just make out Kathy's faint silhouette on the bed. I turned the light on abruptly, to find her on her back, in a hotel maid's outfit, with her skirt hitched up and her hand down her knickers.

"Oh, sorry, sorry. I'm just finishing your room, sir," she immediately responded, as if she had been discovered for real. She looked very convincing with her hair tied back, and fucking horny dressed like that! Playing along, I pretended to look shocked and questioned her, whilst she continued to stroke her pussy, which she had now exposed to me. Kathy then parted her cunt, and sucking her index finger wet, slid it between her silky lips. It was too much to bear, and my prick was in my hand in seconds as I tossed myself off furiously.

Getting on all fours, Kathy spread her legs on the bed and with her index and forefinger splayed her twat open, showing me how moist she had become. However, as I moved to fuck her soaked entrance, my cock dripping pre-cum, she thrust three of her own fingers inside her. "This hole's taken, sir, I'm afraid you'll have to find another one," she

purred in a voice unlike her real one.

My shaft pulsed with excitement and, spitting on my fingers, I then ran my hand over the crack of her arse, poking one digit inside, to a squeal of anticipation. Her muscles tightly gripped my bell-end, and I could feel my foreskin roll back as I drove my dick as far in as it would go. "Oh, yes sir... I'm full now," she kept half-grunting as I held fistfuls of her backside and worked away rhythmically into her bumhole. I then held onto her maid's tabard, as I fucked harder, with my balls banging against her knuckles. Alerting her to the fact that I was going to cum, she frigged her clit so fast and so recklessly that I struggled to keep my dick inside her. I felt my

spunk pulse through my shaft and pulled out, spraying it up her back. Shuddering to her own orgasm, she just kept repeating "Thank you sir!" as I covered her in thick jizz.

As I lay there, she remained in character and licked my cock clean, wiped herself down and carried on tidying the room! If only real hotel service was as good!

Tom, Strelley

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing

“ I then ran my hand over the crack of her arse, poking one digit inside ”

a new underwear set – tarty red and black, which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely

covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full-well that the dinner wouldn't really spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that particular erection – a birthday surprise.

James came up the bed but seemed to

change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged

“It was so big and hard but hopefully the perfect size for me to have some anal fun with”

up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my throat. I kept it there inside me and wrapped my tongue around the back of his shaft.

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

“I want you to play with my bum.” It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy. Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open up as I exposed them to him.

“Your bum looks amazing,” James said. I felt his breath as he moved in for a closer inspection. “You’ve got such a pretty little arsehole.” I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue moving over and probing into my arsehole. But this time, I was eager to move on. I wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my arse. His fingers worked their way inside me, penetrating my bum. I'd got used

“I felt my boyfriend's cock slide out of my arse before easing back in”

to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock up my bum. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

“I want you to stick your cock in my arse.” I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

“Are you sure?” he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

“Yes – I want to feel your cock in there,” I said, wiggling my posterior. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where he could guide his cock inside my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he'd stopped trying.

“Oh my god,” James said. “My dick is in your arse.” I didn't know until he told me. I had been expecting to cringe with the pain of

it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James' cock was sticking out of my arse – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

“Push it all in,” I told him.

“Are you sure?”

“Do it, now!” I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I'd taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

“Fuck me, nice and slow,” I gasped. My breath quickened as I felt my boyfriend's cock slide out of my arse before easing back in.

“That looks amazing!” he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered-out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being

stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn't resist as James pounded my butt. I'd expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of ‘anal slut’ took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my muscles around James' cock, gripping him, holding him in place, and with every inch of his cock buried inside my pucker, he came. He cried out and I imagined his cock firing load after load of spunk into my arse and my fading orgasm re-intensified.

“That was amazing,” James said, as we both fell back onto the bed.

“Happy Birthday,” I replied, kissing him on the lips.

“I can't wait until my next birthday,” he said, smiling hopefully.

“Oh, I don't know that I'll make you wait that long – it's my birthday soon.”

SCRUFF JUSTICE!

Now with added smell-o-vision...

RATINGS: ★ TWISTER ★★ TWIST & SHOUT ★★★ OLIVER TWIST ★★★★★ TWISTED ★★★★★ TWISTER LOLLIES

Twisted (Harmony)

Gasmasks, horses heads, skulls, strap-ons attached to the head, goggles. Yup, we're in Tanya Hyde's world, with a female cast that means wanking is not optional. French bum queen Liza Del Sierra wrangles two cocks and gets bummed for her troubles. Michelle Moist shares a dick with Karlie Simon while interracial fans will treasure Paige Turnah's doinking by veteran stud Omar. At times the fetish gear threatens to swamp the action, but there's no denying the intensity of the sex here.

★★★★

3. Lost Heaven: Magic Island Series (Private Gold)

MagikView seem to be churning out most of Private's 'features' these days, and they're picking up awards without, let's be honest, being all that special or innovative. But we're not complaining, because if they're keeping Carla Cox in work, what's not to like?

She's the pick of the girls here, giving up her cute arse and taking a decent facial, although we've got a lot of time for the ever-filthy Aliz's threeway as well. The rest of the cast isn't at the same level, but if you're starved of Euro porn, there's fun to be had here.

★★★

Young Harlots Naughty Tutorials (Harmony)

I've got a couple of questions about this (mostly excellent) entry in the *Young Harlots* series. 1) Why is Shay Hendrix wearing an eyepatch? Was she hit by flying cum? 2) Why didn't someone tell Linet Slag that that is not a good name for a porn star? These questions aside, it's as you were at the *Young Harlots* academy – plenty of bumming, scads of lesbian stuff, Linet Slag overcoming that name to get a more than watchable bugging. Sex education at its finest.

Club's KIT BAG

Plug and play with yourself...

£1150

Olympus OM-D E-45

www.olympus.co.uk

We're happy to see classic camera brands like Olympus focusing (no pun intended) on their core specialities, rather than trying to pander to the people who think mobile phones take good photographs. This cracker is hardly the camera to take to Bestival to capture those 'moments', but for the serious snapper it packs a wallop. The 16mp sensor works a treat, and the tiltable OLED screen is crisp and user-friendly. Add in Olympus' boasts that this is the world's fastest autofocus camera, and you've got a lot of kit for (quite) a lot of money.

Pros: In short, it's a brilliant camera.

Cons: In short, it's not cheap.

£230

Nikon D3200

www.europe-nikon.com

As any savvy snapper will tell you, megapixels aren't everything. After all, this packs in twice as many as the Olympus on this page, but is half the price. What gives? Well, while images are crisp and well-detailed, it lacks the features you'll find in top end cameras. And the autofocus speed compares so badly to the Olympus that it's like waiting for a Victorian-era exposure. The sensor is good, the viewfinder is okay, and if you want to add on lenses, you can test the depths of your pockets.

Pros: Photo quality is as high as you'd expect.

Cons: Sluggish autofocus. Feels low-to-mid range.

£560

Apple Macbook Pro 2012

www.apple.com

Even the most hardened Apple sceptic (those of us annoyed at the built in obsolescence of a lot of their products, and the fact that all roads lead to the iTunes store) will find his heart melting after a go on the latest Macbook Pro. Put simply, it works. It's slick, it doesn't have the constant virus fretting you get from PC's, and the new Retina display, familiar from the latest iPads, is simply gorgeous. That screen, the functionality – all good. It's still overpriced, and not for gamers. Instead, it's essential for designers, musicians and poseurs.

Pros: The screen is breathtaking. Works straight out the box.

Cons: Overpriced for the processing power. ♣

SABRINA♣

One last time...

Ahh, California redheads. They're rarer than you'd think. And perhaps about to get rarer as Sabrina Maree's rep and acting career grows and she leaves glamour behind for good.

"I'm not leaving glamour!" she corrects us. "I just said no more adult work. But working with Hicks and great *Club* photographers is a pleasure. I'll always do that. Well, for as long as you'll have me!"

The 25-year-old from West Hollywood has recently branched out into music videos and advertising, but don't worry, sounds like that red head and tempting pussy are here to stay. Amen. ♣

EUFRAT 

Phone bone...

Imagine picking up the telephone to hear Euftrat talking dirty down it. How amazing would that be? Sadly, it'd be pretty tricky in reality. We'd love to hear her talk about sucking hard on our balls while she jerks our shaft, but her English just isn't up to it. Talking with her is reminiscent of going on a school exchange trip and trying to ask a local where the frickin' piscine is. But not in French. So, sadly, unless you fancy learning a new language, phone sex with Euftrat is off the agenda. In better news, actual sex with her is well on the agenda.

"I fuck fans," she reveals, through a Babel fish. "A man who admires your work will try extra hard to please you, and I love to show a fan just how well a porn star can fuck. I like to bring out all the tricks to give him the best orgasm he's ever had. I always send a fan home happy – who needs to talk?" ♣
